There's a time when we all choose
To either quit
Or follow through
To just lose faith
Or trust your heart
To somehow lead you through the dark
We're not the only one
Who's dreamin'
Who needs help to carry on
We might get lonely but we're not alone

Chorus:

'Cause we are sisters, we stand together
We make one big family though we don't look the same
Our spots are different, different colors
We make each other stronger that ain't ever gonna
change
We're Cheetah Girls, Cheetah sisters

Gotta do what we gotta do
Got the brains, got the power and we speak the truth
We're from everywhere all around the world
So you best respect the Cheetah Girls

Dancing, singin' from our birth
Working hard for what we deserve
Trying not to break the rules
'Cause mamma didn't raise no fools

It may seem we're only dreamin'
And we need help to carry on
It's good to know we're not alone

Chorus

Someone's always there behind
To catch us if we fall
its good to know we're not alone
'Cause we are sisters, we stand together
We make a pawfect family though we don't look the
same
Our spots are different, different colors

We make each other stronger that ain't ever gonna
change
Or even mister
We're Cheetah Girls, Cheetah sisters
