[kiely]

You do your best to write off my name
Try to control me but that's gonna change
If you look closer you'll know what I mean
You'll see the girl become a machine

[adriene]

I'll squeeze you, unease you, I'll freeze you
Alarm you, disarm you, I'll charm you
I'll block you, unlock you, I'll shock you
You wanna fight then we'll do it my way

[Chorus:]

So bring it on
I'll have you wrapped around my finger
So bring it on
Start wearing your things you'll know for sure
So bring it on
I wanna get dangerous but diamond fists its over with

So listen up cuz' you ain't messin' with me anymore

[sabrina]

My invitation is not just a game
I gotta show you that I can't be claimed
I've got the power to turn this around
'Cuz it's my life and I wear the crown

[adriene]

I'll squeeze you, unease you, I'll freeze you
Alarm you, disarm you, I'll charm you
I'll block you, unlock you, I'll shock you

[Chorus: 2x]

So bring it on
I'll have you wrapped around my finger
So bring it on
Start wearing your things you'll know for sure
