Hmm...hmm...
Mmm...mmm...

I remember, oh, yeah
The signs of springtime
There were birds, music everywhere
Everywhere

Some of us played, oh, yeah
And some of us cried
Can't you see, oh, can't you see
The tears in my eyes

And what I had dreamed of, oh...Lordy (What I had
dreamed of)
I thought it was him
10 feet tall, oh...
I was ridin' so high
With eyes of a child, oh... (Eyes of a child)
Shinin' so bright, yes, they were

Coldest days of my life
They were the coldest days of my life
I had to run for cover, yeah, yeah, yeah (Had to run for
cover, yeah, yeah, yeah, yeah, yeah)
The cold-coldest days of my life
I thought there was no other, no, no (Thought there was
no other, no, no, no, no)

Lord, take away (Take it) the pain (Take it)
Oh, you know, you know that it was (Take it, take it)
And it couldn't be (Take it) much worse
Down low, down low
Down the low
Down the low
It just couldn't be that bad
Ooh...down the low
It just couldn't be that bad
Ooh...down the low
Oh, down, down
Down the low

Here all alone, yeah
Ooh...down the low
Ooh...down the low
Ooh...down the low
Ooh...down the low

Ooh...ooh...

I remember, ooh, yeah, yeah
The signs of springtime
I'm trying to keep the past behind me
But voices suddenly remind me
That she's gone

She's what I had dreamed, oh... (What I had dreamed of)
She's all that I think of

Coldest days of my life
They were the coldest days of my life
I thought there was no other, no, no (Thought there was no other, no, no, no, no)
The cold-coldest days of my life

I had to run for cover, yeah, yeah, yeah, yeah
(Had to run for cover, yeah, yeah, yeah, yeah, yeah)
The cold-coldest days of my life
I had to run for cover, yeah, yeah, yeah, yeah
(Had to run for cover, yeah, yeah, yeah, yeah, yeah)

The coldest days of my life
I thought there was no other, no, no (Thought there was no other, no, no, no, no)
The cold-coldest days of my life
I thought there was no other, no, no (Thought there was no other, no, no, no, no)

The cold-coldest days of my life
I had to run for cover, yeah, yeah, yeah, yeah
(Had to run for cover, yeah, yeah, yeah, yeah, yeah)
Coldest days of my life
Coldest days of my life
