Start the party up
hit the groove
celebrate, it's what we're here to do

crank the music
now's the time
all of us are tonight

somethin' new we're
movin' on
we've been think'n bout it
all year long

got the right moves
cheetah girls
here we go...gonna rock the world

Chorus:
Party cause you know the futures all yours
dance till your feet don't touch the floor
celebrate the you've
waited for
party ike your ready for so much more

Do it like it's never
been done
go a little crazy have
too much
today's the day,c'mon everyone
the parties just begun

Verse:
I know you're feelin this
put your hands if
you're this

I'm feelin' it, girl

I know your feelin this

Everybody get up

here we go

Everybody now
make some noise
all the girls and all the boys

Don't cha know we got it
go'n on
all together we belong

fun to be young
that's the truth
look'in good with a new attitude

Turn the party out
time to shine

cheetah style we're do'in it right

Chorus:

Party cause you know the futures all yours
dance till your feet don't touch the floor
celebrate the you've
waited for
party like you're ready for so much more

Do it like it's never
been done
go a little crazy have
too much
today's the day, c'mon everyone
the parties just begun

Verse:

We can do anything, everything
we wanna
Finally we get the chance

everybody wanna celebrate
let the party never end
ready for the summer holiday
anticipating what's ahead
now we're better than we've
ever been
and ya know we do it right
acapella now bring it in
come on girls one more time

chill it out...break it down
that's the way we do it now

attitude...in the groove
getting' into somthin' new

Say good-bye to yesterday
future lookin good to me
all together raise your hands
time to party...time to dance

Chorus(2x):

Party cause you jnow the future's all your
dance till your feet don't touch the floor
celebrate you've waited for
party like you're ready for so much more

do it you know it's never been done
go a little crazy have to much fun
todays the day, c'mon
everyone
THE PARTY'S JUST BEGUN!
