Oh, oh, oh, oh, yeah, mmm
It's the simple things
Simple things, simple things, yeah
Oh, oh

Time to put the lights up and decorate the tree
Look at the snow fall, candy cane and sweets
Going on a sleigh ride, the feelin' in the air
Having such a good time, celebrating everywhere

Time for Christmas, all of us together
Never wanna miss it, the joy all around
You know it's times like this
You see what really counts, yeah

It's the simple things, just like a Christmas song, sing
along
And you're ready for the holiday
It's the simple things, the presents under the tree
Christmas eve, all the fun we have on Christmas day
Yeah, yeah, yeah, oh, it's the simple things like

Hearing all the sleigh bells, opening Christmas cards
Gingerbread cookies, Rudolph can't be very far
Getting cold outside, staying warm by the fire place
Children laughing, Santa Claus is on his way

Time for Christmas, all of us together
Never wanna miss it, the joy all around
You know it's times like this
You see what really counts, yeah

It's the simple things, just like a Christmas song, sing
along
And you're ready for the holiday
It's the simple things, simple things, the presents
under the tree
Christmas eve, all the fun we have on Christmas day

It's the simple things, like having all of my friends here
again
We can celebrate together

It's the simple things, like knowing Christmas is always
on time
And this year is even better

Think about all the joy it brings
It's easy to see now
That what it's really all about are the simple things
Oh, oh, oh, oh, yeah

It's all about, all about, simple things, simple things
Setting out the milk and cookies, Santa's coming
tonight, yeah
It's all about, all about, simple things, simple things
Like when we're all together having such a good time

It's the simple things, just like a Christmas song, sing
along
And you're ready for the holiday
It's the simple things, the presents under the tree
Christmas eve, all the fun we have on Christmas day

It's the simple things, like having all my friends here
again
We can celebrate together
It's the simple things like knowing Christmas is always
on time
And this year is even better

It's the simple things, just like a Christmas song, sing
along
And you're ready for the holiday
It's the simple things
