Here we go (here we go)

Friday night we'll feel alright 'cuz this is what we do
We're in the crowd and dancing now but all I see is you
I tell myself "We've broken up" but it's so hard to say
I try to turn my head around and look the other way

What you really care about me, do you care about me
Are you ever coming back to me, back to me (here we go)

I should know better but I just can't pretend
Uh-oh Uh-oh I'm fallin' again (here we go)
Just let me promise that we'd only be friends
Uh-Oh Uh-Oh we're fallin' again

It's Monday night we're back to work We're at the studio
I'm tryin to cut this song but I keep lookin' at the phone
I wish that you would call and say "We made a big mistake"
And keepin' it together is a chance we wanna take

What you really care about me, do you care about me
Are you ever coming back to me, back to me (here we go)
Yeeeeeeah!

I should know better but I just can't pretend
Uh-oh Uh-oh I'm fallin' again (fallin' again) (here we go)
Just let me promise that we'd only be friends
Uh-Oh Uh-Oh we're fallin' again

Break my heart super ecstatic
Spin my world into a habit
You had me from the very first day
Me and you it's automatic
Here's my heart boy you can have it
Tell me that you're feelin' this way

Oo, Oo
Uh-Oh Uh-Oh I'm fallin' again
Oo, Yea

Uh-Oh Uh-Oh I'm fallin' again
Here we go

I should know better but I just can't pretend
Uh-oh Uh-oh I'm fallin' again (here we go)
Just let me promise that we'd only be friends
Uh-Oh Uh-Oh we're fallin' again (fallin' again)
I should know better but I just can't pretend
Uh-oh Uh-oh I'm fallin' again (here we go)
Just let me promise that we'd only be friends (friends)
Uh-Oh Uh-Oh we're fallin' again

Uh-Oh I'm falling again (fallin' again)

Uh-Oh I'm falling again (fallin' again)
