Unfaithful backstabbing coward

I'm fucking sick of all the lies and all the treachery  
I was always by your side and this is how you repay me  
And after all these years you fucking turned your back  
on me

I can't believe I ever considered you family  
I will never forget this knife you placed in my back

Recreant

Say it to my face  
No more fucking games  
This is where you pay  
Recreant

Step the fuck back and just bleed  
You're a worthless gutless pig

Now you'll see that I'm not just something you can  
fucking cast aside  
My whole life I stood right by your side  
You fucking hypocrite

You make it seem like it was my fault  
You lied

Don't forget I know exactly what you did

I'm fucking sick of all the lies and all the treachery  
I was always by your side and this is how you repay  
And after all these years you fucking turned your back  
on me

I can't believe I ever considered you family  
I will never forget this knife you placed in my back

Recreant

Say it to my face  
No more fucking games

This is where you play

Recreant

You are dead to me
