Now it's time we do or die
Rise (2x)
We wont change a fucking thing
Fight (2x)
Break your chains and we will rise
Rise (2x)
I'm just as sick as you believe
And I will burn your world

For you to see, I am your enemy
We don't need Societies approval
Just a face, we are unstoppable

We will live and we will die
Rise (2x)
You can never take our pride
Fight (2x)
Cut us deep and watch us bleed
Rise (2x)
I'm just as sick as you believe
And I will burn your world

For you to see, I am your enemy
We don't need societies approval
Just a face, we are unstoppable

I, I don't care if you approve of the life I lead
I, I don't care
I don't care to hold my tongue anymore

This is my fucking life and this is my fucking dream
And I'm not your societies little fucking whore
I, I don't care if I have a life left to live
I will join the dead and we will rise up

Now it's time we do or die
Rise (2x)
We wont change a fucking thing
Fight (2x)
Break our chains and we will rise
Rise (2x)
I'm just as sick as you believe

And I will burn your world, for you to see
I am your enemy
We don't need societies approval
Just a face, we are unstoppable
