(Chely Wright/Roxie Dean)

Wouldn't it be cool if all the supermodels tried to look  
like me  
And wouldn't it be cool if someone's character was  
Something you could see  
Wouldn't it be cool if I could fly  
Get a new perspective from the sky  
Ooo wouldn't it be cool

Wouldn't it be cool if I could do long division in my  
head  
Wouldn't it be cool if I didn't have to edit what I said  
Wouldn't it be cool if life was fair  
When someone says, "I love you" they will always be  
there

If one day you beg and plead for me to take you back  
I would be so unaffected I would simply laugh and  
laugh  
Wouldn't it be cool... cool

Wouldn't it be cool if I could catch you at a restaurant  
with her  
And wouldn't it be cool if I was strong enough to muster  
up the nerve  
To tell her all the secrets that we had  
Just to see you squirm and feel as bad as I do  
Wouldn't it be cool

If one day you beg and plead for me to take you back  
I would be so unaffected I would simply laugh and  
laugh  
Wouldn't it be cool... cool
