Zig it out tings a do good again  
Zig it out man a roots and dem match di stem  
Zig it out zing zagga zu zang  
Hear di music clique talk again and announce  
Ziggy zag, zing zagga zu zu zang  
Zig it out, zung zagga zu zu deh  
Zig it out, zing zagga zagga hey cool  
And I man sing seh dat  
Have you ever lost your drive  
Sick of working 9 til 5  
If you have you will understand why I'm frowning  
Zagga zagga zeh  
Have you been working all day  
Does your bills take all your pay  
Can you feel me when I say feel like I'm drowning  
Well mi tired of stealing  
Sick and tired of di pain I'm feeling  
Tired of di hate and di war I'm living in  
Prophecy revealing  
I say guide and protect me Lord  
Cah di millions I'm reeling in  
Bring a lot a friend but I'm just not feeling him  
Claim to be my dawg but I still don't believe in him  
Sound too deceiving  
And I learn not to trust no man  
Cah last sunday evening  
Niggas drove by then janice stop breathing  
Ain't nothing new it just di bobbing and weaving  
Now mama grieving  
Lawd know I can take no more  
Cah ma woman conceiving  
Ain't no place for my kids I'm living in  
House with a pool on di hill I'm dreaming in  
Ain't got no benjamin  
Well that mean I will be sticking around y-y-yeeeeeah  
Have you ever gave your heart  
Just to have it torn apart  
If you have you would understand why I'm angry  
Zagga zagga zah za  
And if you gave your loving heart  
And had it thrown against di wall

If you did you would understand why I'm not married  
Nuh reason why you gotta be that way  
If you wasn't down girl you shouldn't have stayed  
Girl I shoulda know this is how you play  
What I can I say! I guess it woulda end some day  
But did you have to be so cold  
Did you really have to take my heart and soul  
I wish I had a little more self control

Shoulda been bold  
Then I woulda play di daggard role  
Girl I use to think your love was true  
Cried down my shoulder and I bought that too  
Caan believe da gal ya mek mi diss my crew  
Neva had a clue but mama saw right through you y-y-  
yeah  
Have you ever had love and affection  
Have you ever ever lost your direction  
Have you ever had a need for protection  
Have you ever had have you ever had  
Love and affection  
Have you ever ever lost your direction  
Have you ever had a need for protection  
Have you ever ever had  
Have you ever lost your drive  
Sick of working 9 til 5  
If you have you will understand why I'm frowning  
Zagga zagga zagga zah za
