Girl wait till we all alone mr jhonny gonna make you  
want to scream and moan him gonna get on baad  
giving loving like you never had  
Girl wait till were all alone and mr jhonny get fully  
blown him gonna get on baad give you some sex like  
you never had

Here comes jhonny a dat me tell you say me tell ali and  
she eva promise me say she ago gimmie di tingy she  
know say me no licky licky me jus take in a belly me  
make gyal pickinee get mad tell dem fi cock up a dat  
me can give you da betta cut insert me baggup paulin  
serious pum pum genius wit gyal me no skin out make  
me take dis to another level gyal me sittin big like a  
bottle you want your umm fi wackle jus run come tackle

Chorus

Its trivial wat don say bout karen wen she kiss him pan  
him head him rise like a lion den a murda come call me  
make me push it little further cause work like a dis ya  
neva hurd of
