Cha, ha, ha  
We need some more lovin' now  
Not money (ooh, na, na, na, na)  
It's the most thing that do us part  
We shall do bury it, yeah  
Beanie Man and Jamelia (na, na, na)  
Jamaica, na, na  
Dagga, dagga, da  
Dagga, dagga

(Chorus) Money don't say you love me  
Cash won't make me stay  
I came here with my own things  
And I can leave the same way  
And if you really cared, babe  
You would spare your time (yagga, yagga, ya)  
If you don't understand (woah)  
You can't afford mine (can ya sing it?), no

Ain't a prima donna  
So I can't fall in love with material things (oh)  
You need to offer  
More than chains and diamond rings  
I need to know that  
There's a place for me deep in your heart  
I don't give a damn (nah)  
About your credit cards (so ya sing)

(Repeat chorus)

I must admit it  
I was fine with your talk  
And your gifts in the start (check it out)  
Now all that's wanted  
Is to know I got your heart  
I have no idea (cha)  
About where this is gonna go (yes)  
I don't really care (oh, I) for your amount of dough (so,  
ah)

(Repeat chorus)

So you think I've got a price tag on me  
Just a flash of the cash and you're all I see (all I see)  
Well, let me tell you (tell you) something  
You couldn't be more wrong about me (oh)  
All your fancy cars, they just don't turn me on (turn me  
on)  
You got me wrong  
Make all the money (money that you can) that you can  
'Cos money don't make a good man

Isn't a lie  
Will be your one and only  
Promise promise  
Money never get you crazy, yeah  
I know you flexing with some friend  
Whatta you sing, say  
Money don't buy my love)  
Gotta me security  
Love are me only surety because  
(Money can't buy my love)  
Lemme sing again  
(Money can't buy my love)  
Lemme sing, say  
(Money can't buy my love)  
C'mon, ya frighten off justa  
The above look nice girl  
(Money can't buy my love)  
C'mon, all the hours for ya  
And the Benz and all ya drive cars  
(Money can't buy my love)  
You are the perfect art  
Me love you from start, girl  
(Money can't buy my love)  
Lemme sing again  
(Money can't buy my love)

(Repeat chorus)  
Money can't buy my love

Girl, you are the perfect art  
S'why me love you from the start  
Money can't buy my love (can't buy my love)  
Not that, not that, no, no, no (money can't buy my love)  
Can't buy my love  
Don't give me your cash  
My fees are yours  
Money can't buy my love  
Sing again  
Money can't buy my love..
