A gal mi see, a gal mi see, a gal mi see

Let mi hear where gal is

Mi just meet a dozen gal yesterday

And meet two dozen gal just today

Gal see mi upon the road and wanna take mi away

And a play with the stick as me drive away

Come at mi house an won't see another day

Gal never knowâ€¦ a deadly breed

But one thing I have to say

No bend, no corner, no curve don't in a this
