(Written by Chelsea Musick)

I took your picture off the wall
Put it by my bed
Helps all the sleepless nights
when I could use a friend
When I look in the mirror
I can see your face
And it's so hard to be mad
When there's none here to blame

Chorus

And I never thought I'd have to let you go
Never thought I'd say goodbye
I never thought I'd see
The day my daddy cried
I guess I better go
Just wanted to say hello
And I miss you more
With every tear said
signed
I wish you were here

Know that you love me
Still feel in my heart
Sometimes it's like you're here
But we're so far apart
I had so many questions
I just wanna understand
If God can take you from us
Why can't he bring you back

Chorus

And I never thought I'd have to let you go
Never thought I'd say goodbye
I never thought I'd see
The day my daddy cried
I guess I better go
Just wanted to say hello
And I miss you more
With every tear said
signed
I wish you were here

You were the one you helped me through the day
The one who wiped my tears away
And what am I suppose to do
No one talked to me like you

Chorus

And I never thought I'd have to let you go
Never thought I'd say goodbye
I never thought I'd see
The day my daddy cried
I guess I better go
Just wanted to say hello
And I miss you more
with every tear
Yes I miss you more
with every tear
signed
I wish you were here
I wish you were here
