You know It's All About Me
You know It's All About Me
You know It's All About Me
You know It's All About Me

Don't hate me cuz I got it goin' on
It's just me, I'm hot never cold
I can rock it any way that I choose
I'm so good, oh yeah, I make up all the rules

I can't help it if I set all the trends
Everybody wants to be my best friend
It's infectious, come on don't you be jealous
Just join in this love fest (you know that)

Chorus:
It's All About Me
It's All About Me
It's All About Me, Myself and I

Everybody knows I'm fly
It's All About Me
