"Close Your Eyes"

In your eyes I can see
That you're cracking up
In your eyes I can see
That you've had enough
And it pains my head

In your eyes I can see
That you're cracking up
In your eyes I can see
That you fell in love
And it pains my head

In your eyes I can see
That you're cracking up
And it pains my head
In your eyes I can see
That you fell in love
And it pains my head

What if it would just
Come into me
And it pains my head
What if it would just
Come into me
And it pains my head

I'm in this love, I'm in
I'm in this love, I'm in this love
I'm in this love, I'm in
I'm in this love, I'm in this love

[Incomprehensible] why should I wait,
[Incomprehensible]
Love isn't [Incomprehensible] me
Why should I wait, [Incomprehensible]
Love isn't [Incomprehensible] to me

What if it all were to change love?
I thought it would
What if it all were to change love?
I thought it would

What if it all were to change love?
I thought it would
What if it all were to change love?
I thought it would

What if it all were to change love?
I thought it would
What if it all were to change love?
I thought it would

What if it all were to change love?
I thought it would
What if it all were to change love?
I thought it would

What if it all were to change love?
I thought it would
What if it all were to change love?
I thought it would
