Ohhh
Can you hear me now?
Can you hear me now?
Can you hear me now?
Can you hear me now?
Yea
Am I comin' through?
Am I comin' through?
Is this sweet and pure and true?

[Inaudible]
[Inaudible]
[Inaudible]
[Inaudible]

Devil came by this mornin'
Said he had
Somethin' to show me
I was lookin' like
I've never seen a face before
Here we go now
Let's slide into the open door

Pictures and things
That I've done before
Circlin' around me
Out here on the floor
I'm dreamin' this
And I'm dreamin' that
Regrettin' nothin'
Think about that

Seein' waves breakin' form to my horizon
Yea I'm shinin'
I'm seein' waves breakin' form to my horizon
Lord, I'm shinin'
Are you hearin' me
Like I'm hearin' you?
Are you hearin' me
Like I'm hearin' you?

You know I almost lost my mind

I can't explain
Where I've been
You know I've almost lost my mind
I can't explain
Where I've been
You know I almost lost my mind
I couldn't explain
What I've seen
And I am happy to have seen it too
To find that the images are fadin' away

Seein' waves breakin' forms on my horizon
Yea I'm shinin'
I'm seein' waves breakin' forms on my horizon
Lord, I'm shinin' yeah
Are you hearin' me
Like I'm hearin' you?
Are you hearin' me
Like I'm hearin' you?

You know I almost lost my mind
I can't explain
Where I've been
You know I almost lost my mind
I couldn't explain
The things I've seen
But now I think I see the light
Now I think I see the light
Lend me your hand
Lend me your hand
Lend me your hand
Lend me your hand
Lend me your hand

I'm seein' waves breakin' form on my horizon
Yeah I'm shinin'
I'm seein' waves breakin' form on my horizon
Lord, I'm shinin'
Oh are you hearin' me?
Like I'm hearin' you
Oh are you hearin' me?
Like I'm hearin' you?

You know I almost lost my mind
Now I'm home and I'm free
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?

You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
You'd better go to bed now
My heart and my soul, they are free
My heart and my soul, they are free
Ohh

You know I almost lost my mind
Now I'm home and I'm free
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?
Did I pass the acid test?

Ohh
Mmm, maa, mmm, maa, mmm, maa
(I'm tired)
Mmm, maa, mmm, maa, mmm, maa
Yea
(I'm tired, I'm tired, I'm tired, I'm tired)
Come on out
(I'm tired)
Ooh, yea
(I'm tired, I'm tired, I'm tired, I'm tired)
I'm tired, I'm tired, I'm tired
I'm tired, I'm tired, I'm tired
