Getting sick a tired of the waiting and  
I'm ready to forget everything  
I never pictured this as something failing

I get these simple notes but can't get nothing right  
So I just spill the cup on the floor

I'm sorry for being such a disappointment

And everyday is painted in the same colours  
As yesterday, it's getting quite ridiculous

My life is based on a crappy movie  
Except for the ending where  
The world knows my name  
I'm not here to give up  
So cuddle up and mock me for the rest of you're lives  
It doesn't mean a thing to me

So we found out  
I didn't have it in me  
I did my best as always  
I came out failing

We stumbled upon this dream  
Started to make up for all that we've lost  
'Cause it's the only thing that keeps me breathing

And everyday is painted in the same colours  
As yesterday, it's getting quite ridiculous

My life is based on a crappy movie  
Except for the ending where  
The world knows my name  
I'm not here to give up  
So cuddle up and mock me for the rest of you're lives  
It doesn't mean a thing to me

Can't we fall in love  
like in the movies  
'Cause there's so many things  
I'd like to say to you

My life is based on a crappy movie  
Except for the ending where  
The world knows my name  
I'm not here to give up  
So cuddle up and mock me for the rest of you're lives  
It doesn't mean a thing to me
