Niji o niji o mitakai egakikirenai
Yume o yume o mitakai tsukami kirenai
Hoshi wa hoshi wa furukai kazoe kirenai
Ai wa ai wa madakai kakae kirenai
Demo ne hikari wa subete
Kedo ne ibatte iku
Dakara shibaraku wa hitomi o tojita mama de
Kotoba tsuraneru yori kuchibiru o kasaneyou my baby
Rikutsu naraberu yori dakishimete ageru
'Cause I'm a big man, now! big man, now!
Yume o yume o mitakai tsukami kirenai
Ai wa ai wa madakai kakae kirenai
Sou sa hakei no hari wa
Itsumo migi mawari de
Semete kono mama de odori tsuzukeru dake sa
DORESU nugi sutetara tobikonde oide yo my lady
PIASU hazushitanara sasayaite ageru
'Cause I'm a big man, now! big man, now! big man,
now!
Hontou no shiawase o mada bokura wa shiranai
Kimi no hidari mune no kodou ga itai kedo
Kotoba tsuraneru yori kuchibiru o kasaneyou my baby
DORESU nugi sutetara tobikonde oide yo my lady
Kotoba tsuraneru yori kuchibiru o kasaneyou my baby
Rikutsu naraberu yori dakishimete ageru
'Cause I'm a big man,now! big man,now! big man,now!
