Here comes old Rosie she's looking mighty fine
Here comes hot Nancy she's steppin' right on time
There go the street lights bringin on the night
Well they'll be slipping into darkness slipping out of
sight
All through the shadows they come and they go
Only one thing in common
They got the fire down below

Here comes the rich man in his long black limousine
Here comes the poor man all you got to have is green
Here comes the lawyer, banker and the cop
One thing for certain it ain't never gonna stop
When it all gets too heavy
That's when they come and go
Only one thing in common
They got the fire down below

It happens out in Vegas happens in Moline
On the blue blood streets of Boston
Up in Berkeley and out in Queens
And it went on yesterday and it's going on tonight
Somewhere there's somebody ain't treatin' somebody
right

And he's looking out for Rosie and she's looking mighty
fine
And he's walking the streets for Nancy
And he'll find her everytime
When the street light flicker bringing on the night
Well they'll be slipping into darkness slipping out of
sight
All through the midnight
Watch 'em come and watch 'em go
Only one thing in common
They got the fire down below
