It's not over till it's over  
I heard someone say  
Must be a whisper in the wind  
'Cause you're too far away  
But in my restless sleep  
I could swear I saw you next to me  
Saying oh, I'm coming home  
You'll never spend another night alone

#### CHORUS:

Remember when love was innocent  
There was never a better time  
But you know those fires of Eden  
Still burn in this heart of mine

The morning's uncertain  
It's a nervous day  
And I look for a reason  
Why I should feel this way  
I hear a voice run before  
Drifting through my open door  
Saying it's alright  
We're going to light those flames tonight

#### Chorus

Remember when love was freedom  
We knew we were two of a kind  
But you know those fires of Eden  
Still burn in this heart of mine

And don't you wonder  
How we drifted so far  
When we belong to each other  
Oh we were miles apart  
And there's a place  
That was meant for the two of us  
And when you touch the embers  
You feel my love  
As strong as it ever was

## Chorus

Remember when love was freedom  
We knew we were two of a kind  
But you know those fires of Eden  
Still burn in this heart of mine
