I have climbed highest mountain
I have run through the fields
Only to be with you
Only to be with you

I have run
I have crawled
I have scaled these city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I have kissed honey lips
Felt the healing in his fingertips
It burned like fire
This burning desire

I have spoke with the tongue of angels
I have held the hand of the devil
It was warm in the night
I was cold as a stone

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I believe in the kingdom come
When all the colors bleed into one
Bleed into one
And yes I'm still running

You broke the bonds and you
Loosed the chains
Carried the cross
Of my shame
Of my shame
And you know I believed it

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

But I still haven't found what I'm looking for
