Here, here in this world
Where do we go
Where can we turn
When we need some love
It seems that love
Just can't be found
Where, where do we stand
When love's supply
Don't meet love's demand

We got enough stars
To light the sky at night
Enough sun to make
The whole world bright
We got more than enough
But there's one thing
There's just not enough of it!

CHORUS:
Not enough love and understanding
We could use some love
To ease these troubled times
Not enough love and understanding
Why, oh why

Spend all of our time
Building buildings up to the sky
Reaching everywhere but where
We need to reach the most
Hearts never can win
Oh, in this race
This race that we're in

We've got enough cars
To drive around the world
Enough planes to take us anywhere
We got more than enough
But there's one thing
There's just not enough of it!

Chorus x 2

We need some understandin'
We need a little more love
Some love and understandin'
Enough stars to light the sky at night
Enough sun to make the whole world bright
Enough hearts to find some love inside
We got more than enough
But there's one thing
There's just not enough ofâ€¦

Chorus
