Love is a lonely place without you

I know I'm not alone  
I should not be afraid  
Cause I hear your voice  
And I know you're there beside me

And so I give my heart  
I live to love again  
But I can't let go  
Of the way I feel about you

Love is a lonely place without you  
I miss you  
And you're almost here  
And I'm almost touching you  
Love is a place I have to hide away

I'll never love this way again (again)

If love was ever true  
I know it was with you  
Cause you touch my soul and  
You stay with me forever

No tears, no said goodbyes  
There are no reasons why  
But I'm holding on  
I believe in love eternal

Love is a lonely place without you  
I miss you  
And you're almost here  
And I'm almost touching you  
Love is a place I have to hide away  
I'll never love this way again (again)

Though I'm moving on  
I'm still holding on - holding on - holding on

Love is a lonely place without you

I miss you  
And you're almost here  
And I'm almost touching you  
Love is a place I have to hide away  
I'll never love this way again (again)

Love is a lonely place - a lonely place [x4]
