Mama was a rock and roll singer yeah
Papa used to write all her songs
Well you could hear their music playing
On the jukebox all day long

Whoa They was bringing down together yes they is
In a 2-PART HARMONY,
Till one day, one day my daddy sang alone
He sang his song just for me
Good God

You think you're just a fox
And that's all that you got to be
Oh well you might be a fox
But LADY that ain't enough for me
You're jacking everybody in town
But you ain't jacking me around

[Chorus:]
Foxy lady shining on
I hope you miss me when I'm gone
Coz foxy lady gone is where I'm gonna be

You're super fine
And you blow people's mind I know
But will you pardon me please
If I don't stick around for your show
You got everybody chasing your tail
They even let you put them in jail

[Chorus]

Oh damn you girl
You went and messed up
The world WE HAD
And what I'm trying to say
In my own sweet way if I may
You got everybody singing your tune
But you're flying on a friendly balloon

[Chorus]
