It's hard to hit a moving target  
At least that's what I've been told  
It they can't catch you  
They can't hurt you  
You never let them get a hold  
So I keep runnin' -  
I keep right on runnin'

I've always pushed it to the limit  
In fact I've pushed it way past that  
If you've got guts then jump on in it  
If not then don't forget your hat  
And I keep runnin' -  
Keep on runnin'  
Runnin', runnin', runnin'  
Even though I'm cryin'  
Runnin', runnin', runnin'  
Keep myself from dyin'

Kick back, relax, don't try to fight it  
I'm like a time bomb set to blow  
Ooh babe you make me so excited  
I just can't take it anymore  
I might stop cryin' -  
Feels like I'm flyin'

Runnin', runnin', runnin'  
Though it feels like flyin'  
Runnin', runnin', runnin'  
You make me feel like dyin'  
Sail - sail - sail  
Sail - sail - sail

Babe I can't run away from you  
But I'm scared to let you know  
I never stayed one place long enough  
To lose my will to go

Of future's is way up ahead  
The past fades somewhere far behind  
If we could just unveil our needs

No one could stop us or we'd be flyin'  
We could stop runnin'  
Stop all this runnin'  
Runnin', runnin',  
Runnin' no more need for cryin'  
Runnin', runnin'  
Runnin' love feels just like flyin'  
Sail - sail - sail
