Visions haunt my memory
They hold on, hold on desperately
You and I were over long ago
Don't know why
My heart was last to know
Each time I find somebody new

Still in love with you
I know I been lying to myself
Baby, it's you
You know I'll deny it
But know it's true
Still in love with you

Wake up, crying in the night
These feelings I'm feeling
Prove you right
You told me
No one could take your place
No matter how I try
I can't replace
One thing you said
I know it's true

CHORUS:
Still in love with you
I know I've been lying to myself
Baby, it's true
I don't want to believe it
But what can I do
Still in love with you

You and I were over long ago
Don't know why
My heart was last to know

Chorus

I know I been lying
Lying all along
Baby, it's you

And I know I'll deny it
But know it's true
Still in love with you
I know I been lying to myself
Baby, it's you

Chorus
