The king is crying from his throne  
He had a queen but now she's gone  
What is this magic that we seek?  
The mighty strong to mighty weak

Every good girl hears it  
Every bad boy fears it  
No matter what I see  
I believe, I believe

The power touches me  
The power sets us free  
The power holds my hand  
The power drives me crazy

The flower grows, an old man dies  
And through it all we still survive  
A poor man screams but no one hears  
Ain't nothing changed much through the years

Every bad day needs it  
Every good day breeds it  
No matter how it feels  
When it's real, you know it's real  
It's stronger than anybody any man has ever made

The power touches me  
The power helps us see  
The power holds my hand, yeah  
The power drives me crazy

It won't take long to understand  
Just how lucky I am

Open up your eyes and see  
It won't take long to understand  
Just how lucky I am, ooh

Every good boy needs it  
Every bad girl breeds it  
No matter how I feel

Oh, When it's real you know it's real  
It's stronger than anybody any man has ever made

Hey, hey  
The power holds my hand, yeah  
(The power) Drives me crazy  
The power sets us free, yeah  
The power holds my hand, yeah  
The power drives me crazy

If I believe, and you believe, and we believe  
Everybody's gonna be alright, alright  
In just my mind
