Wasn't it good,
The way I touched you late last night
Wasn't it good in the mornin's early light
Ooo, if you close that bedroom door
I bet'cha didn't know exactly what I had in store

Wasn't it good
When you felt it comin' through ya
Wasn't it good
That I knew just how to do ya
Did ya know ya never had it like this before
I betcha didn't know you'd be comin' round back for
more, more, more

Let's have a party
Love's pourin' outta my soul
I wanna party hardy
And let the future take control

Just remember my darlin'
When there's time to spare you'll be thinkin' of me and
our hot affair
Sayin' wasn't it good, wasn't it good, so good

Wasn't it good when you let your body go
Wasn't it good when you let the juices flow
Did ya know ya never had it like this before
Ya, I betcha didn't know they don't make 'em like me no
more, more, more

Let's have a party
Love's pourin' outta my soul
I wanna party hardy
And let the furture take control
Let's have a party
Make the best of it while you can
God, you won't be sorry
'Cause I'm beginnin' to please my man, my man

Just remember my darlin'
When there's time to spare

I'll be thinkin' 'bout you and our hot affair
Sayin' wasn't it good, wasn't it good, so good

(Wasn't it, wasn't it)
Wasn't it good, wasn't it good, baby, baby so good
(Wasn't it, wasn't it)

[SPOKEN/AD-LIBBING]
'Phew', was it?
Was it really good?
Oo, ya loved it, didn't ya love it
O! God I am so…. oo, shoot!
Am I good?
(So good, so good. Wasn't it.)
Oh, did you love it baby
Do want it
Can you dig it baby, baby so good
(So good)

Wasn't it, wasn't it
Wasn't it good, wasn't it good, so good
So good, so good
Wasn't it, wasn't it
Wasn't it good, wasn't it good, so good
So good, so good
