Come Monday morning  
You see her waitin'  
On the street for her ride  
In an hour she'll be working  
In a tower made of steel in the sky  
She's just a pawn in the struggle  
In a never-ending fight to survive  
Mama had to play someone else's game  
You learn to keep it inside

CHORUS:

Working girl, livin' in a man's world  
Working girl, you gotta take a stand girl

The boss checks out her body  
She's on the phone tellin' his lies  
Run and get the coffee  
And a smile hides the rage in her eyes  
Tonight she's searching for a reason  
As she's walking home alone in the rain  
Mama had to play someone else's game  
Someday she's breakin' the chain

Chorus

Nobody knows the dreams  
She dares to dream  
The plans she had made  
Or the times she has prayed inside  
Or what tears at her pride

Chorus
