What if the world was crazy
And I was sane
Would it be so strange
Cause I can't believe
That I am alone in saying
The things I'm saying
I am part of you
There are universal truths
We're all part of the light
That flows through everything

[Chorus:]

This is a different kind of love song
Dedicated to anyone
Different kind of love song-oh, oh
This is a different kind of love song
A higher plane we can flow on
Different kind of love song-oh, oh

What if the world calmed down
And we could all breathe together easier
Connecting the sky and the ground
With you and me and everything in between
I am part of you
We have living proof
There is some kind of light
That flows through everything

[Chorus]
