A world without heroes is like a world without sun
You can't look up to anyone without heroes
And a world without heroes is like a never ending race
It's like a time, without a place, a pointless thing
Devoid of grace

Where you don't know
What you're after
Or if something's after you
And you don't know why
You don't know
In a world without heroes

In a world without dreams
Things are no more than they seem
A world without heroes
Is like a bird without wings
Or a bell that never rings
Just a sad and useless thing

Where you don't know
What you're after
Or if something's after you
And you don't know why
You don't know
In a world without heroes

In a world without dreams
Things are no more than they seem
A world without heroes
Is like a bird without wings
Or a bell that never rings
Just a sad and useless thing

Where you don't know
What you're after
Or if something's after you
And you don't know why
You don't know
In a world without heroes

In a world without dreams

Things are no more than they seem
A world without heroes
Is like a bird without wings
Or a bell that never rings
Just a sad and useless thing

Where you don't know
What you're after
Or if something's after you
And you don't know why
You don't know
In a world without heroes

In a world without dreams
Things are no more than they seem
A world without heroes
Is like a bird without wings
Or a bell that never rings
Just a sad and useless thing

Where you don't know
What you're after
Or if something's after you
And you don't know why
You don't know
In a world without heroes

In a world without dreams
Things are no more than they seem
A world without heroes
Is like a bird without wings
Or a bell that never rings
Just a sad and useless thing
