Yeah

All alone, I must stand  
Even when I'm running  
And it feels like a dream  
I need to awaken from

I believe, when it hurts  
(Ooo)  
We must keep on trying  
But I want and I need  
(But I want)  
(And I need)  
Like a river needs the rain

There's a bridge I need to burn before I leave  
(Breathe again)  
I just wanna breathe again  
Like a summer's day I need to feel the heat again  
(Summer's day)

I only wanna keep the stone from rollin'  
I only wanna learn to feel the rain  
Then maybe I could stop the leaves from fallin'  
I only wanna learn to freeze the flame  
I know I'll be alive again  
I wanna be alive again

Here's the night, where's the stars  
'Cause I need some guiding  
And it cuts, like a knife  
(And it cuts)  
(Like a knife)  
As I watch you walk away

There's a bridge I need to burn before I leave  
(Live again)  
I just wanna live again  
Like the stormy rain I need to hear it beat again  
(Stormy rain)

I only wanna keep the stone from rollin'  
I only wanna learn to feel the rain

(Feel the rain)  
Then maybe I could stop the leaves from fallin'  
( 'Cause I did my best)  
(Baby who'd have guessed)  
I only wanna learn to freeze the flame  
( 'Cause when love ain't blessed)  
(And it's laid to rest)  
I know I'll be alive again  
I wanna be alive again  
I wanna be alive again

'Cause I did my best  
Baby who'd have guessed  
That I've failed the test

'Cause when love ain't blessed  
And it's laid to rest  
It can leave a mess

I only wanna keep the stone from rollin'  
( 'Cause I did my best)  
(Baby who'd have guessed)  
I only wanna learn to feel the rain  
( 'Cause when love ain't blessed)  
(And it's laid to rest)  
Then maybe I could stop the leaves from fallin'  
( 'Cause I did my best)  
(Baby who'd have guessed)  
I only wanna learn to freeze the flame  
( 'Cause when love ain't blessed)  
(And it's laid to rest)

I only wanna keep the stone from rollin'  
( 'Cause I did my best)  
(Baby who'd have guessed)  
I only wanna learn to feel the rain  
( 'Cause when love ain't blessed)  
(And it's laid to rest)  
Then maybe I could stop the leaves from fallin'  
( 'Cause I did my best)  
(Baby who'd have guessed)  
I only wanna learn to freeze the flame  
( 'Cause when love ain't blessed)  
(And it's laid to rest)
