Sometimes when I'm down and all alone
Oh, just like a child without a home
The love you give me keeps me hanging on
Oh honey, all I ever need is you

Your my first love your my last
Your my future your my past
And loving you is all I ask
Oh honey, all I ever need is you

Winters come and they go
And we watch the melting snow
Sure as summer follows spring

All the things you do
Give me a reason
To build my world around you

Some men follow rainbows I am told
Some men search for silver, some for gold
I have found my treasure in your soul honey
All I ever need is you

Without love I'd never find a way
Through ups and downs of every single day
I won't sleep at night
Until you say, my honey
All I ever need is you

Oh, honey, honey
My, honey, honey
I won't sleep at night
Until you say, my honey
All I ever need is you
