I've been standing out in the rain  
I've been calling your name  
I've got that lonely feeling again  
Calling out your name

Do you hear me?  
Do you want me?

Baby it's all or nothing now  
Don't wanna run and I can't walk out  
You're breaking my heart if you leave me now  
Don't wanna wait for ever

Who do you think you're fooling?  
Who do you think you're fooling?  
Baby it's all or nothing  
Baby it's all or nothing now

And I've been trying to get to your heart  
But I'm chasing shadows  
We keep falling further apart  
So near and you're so far

Do you care now?  
Do you know how?

Baby it's all or nothing now  
Don't wanna run and I can't walk out  
You're breaking my heart if you leave me now  
Don't wanna wait for ever  
Who do you think you're fooling?  
Who do you think you're fooling?  
Baby it's all or nothing  
Baby it's all or nothing now

Sometimes when you touch me  
I just can't help myself  
(Can't help myself)  
Desire makes me weak  
Desire makes me weak

Do you care now?

Do you know how?

Baby it's all or nothing  
I don't wanna run and I can't walk out  
You're breaking my heart if you leave me  
Don't wanna wait for ever

Baby it's all or nothing now  
Don't wanna run and I can't walk out  
You're breaking my heart if you leave me now  
I don't wanna wait for ever

Who do you think you're fooling?  
Who do you think you're fooling?  
Baby it's all or nothing  
Baby it's all or nothing now, now
