I was so lonely until I met you  
Told myself I'd get by without love  
Drowning my sorrows, avoiding tomorrows  
And I felt that I just had enough

You light up my face, your jokes and your smiles  
And the way that you came every night  
I don't know whatcha got but I'm sure glad I found you  
Could be wrong but it sure feels right

Here I am  
I'm back on the street again  
Here I am  
I'm back on my feet again

Surprised at myself for the way that I feel  
So happy that you're here with me  
Some men that I've known have left me with nothing  
But I guess that was just meant to be

Here I am  
I'm back on the street again  
Here I am  
I'm back on my feet again

I went down for the count  
I was down, I was beat, I was crying  
I was caught up in hate  
Hiding my face and not trying

I was so lonely until I met you  
Told myself I'd get by without love  
Drowning my sorrows, avoiding tomorrows  
And I felt like I just had enough

Here I am  
I'm back on the street again  
Here I am  
I'm back on my feet again

Here I am  
I'm back on the street again

Here I am  
I'm back on my feet again

Here I am  
I'm back on the street again  
Here I am  
I'm back on my feet
