CRYSTAL CLEAR/MUDDY WATER  
WRITER LINDA LAURIE

Muddy waters means trouble at your door  
But I won't bring them to you anymore  
This time I'm back for good  
Sticking close to you  
And I swear I'll never hurt you again  
I'll never be untrue  
[Chorus:]  
Rain, let it rain  
Let it wash these muddy waters  
Rain, let it rain  
Pour, let it pour  
And while these muddy waters raise  
I'll be staring into your eyes  
Out of the rain  
It's crystal clear  
That you've been lying to me

It's crystal clear  
That you've been playing around  
It's crystal clear  
I'll end up crying it's meant to be  
But all that's left to do is pray  
You'll stay with me  
I'll take you back just one more time  
And make those muddy waters mine  
And we'll let it, and we'll let it  
[Chorus]  
Rain, let it rain  
Rain, let it rain
