No matter how hard I try  
You keep pushing me aside  
And I can't break through  
There's no talking to you

So sad that you're leaving  
Takes time to believe it  
But after all is said and done  
You're gonna be the lonely one, oh

Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no

What am I supposed to do  
Sit around and wait for you  
Well I can't do that  
And there's no turning back

I need time to move on  
I need love that feels strong  
Cos I've got time to think it through  
And maybe I'm too good for you, oh

Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no

Well I know that I'll get through this  
Cos I know that I am strong  
And I don't need you any more  
No I don't need you any more  
I don't need you any more  
No I don't need you any more

Do you believe in life after love

I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love  
I can feel something inside me say  
I really don't think you're strong enough, no
