Dov'e L'Amore

Dov'e L'Amore

I cannot tell you of my life

Here is my story

I'll sing a love song

Sing it for you alone

Though you're a thousand miles away

Love's feeling so strong

Come to me baby

Don't keep me waiting

Another night without you here

And I'll go crazy

There is no other there is no other

No other love can take your place

or match the beauty of your face

I'll keep on singing til the day

I carry you away

With my love song

With my love song

Dov'e L'Amore

Dov'e L'Amore

Where are you now my love?

I need you here to hold me

Whispered so sweetly

Feel my heart beating

I need to hold you in my arms

I want you near me

Come to me baby

Don't keep me waiting

Another night without you here
And I'll go crazy

There is no other there is no other
No other love can take your place
or match the beauty of your face
I'll keep on singing til the day
I carry you away

With my love song
With my love song

Non c'e nessuno
(there is no other)
Non c'e nessuno
Non c'e nessuno
Bello come te e ti amo
(as beautiful as you and I love you)

Come to me baby
Come to me baby
Another night without you here
And I'll go crazy

There is no other there is no other
No other love can take your place
or match the beauty of your face
I'll keep on singing til the day
I carry you away

With my love song with my love song
With my love song with my love song
