Every now and then  
I begin again  
I push the rock up the mountain  
Though I'm learning slow  
Now I think I know  
How to step aside  
When the rock begins to slide

[Chorus:]  
Down, down, down  
To the bottom of the valley  
Down, down, down  
But I know it won't crush me anymore

Every now and then  
I think I see a friend  
I push the rock up the mountain  
Ah, getting close to what I never knew  
I just step aside  
When the rock begins to slide

[Chorus]

Love's not a simple thing  
If you're all alone  
And finding someone to care  
And when you reach him  
He's not there  
It slides

[Chorus]

Here I go again  
Faith has time to lend  
I push the rock up the mountain  
Hope it won't be just  
Another joke on me  
But I just step aside  
If the rock begins to slide

[Chorus x2]

[Fade]
