It's true, you got me wrapped around your finger  
Ah honey, it seems that's where I belong  
You know how to hold me, thrill me and control me  
Just enough, just enough to keep me hangin' on  
Ah honey, just enough, just enough to keep me hangin'  
on

My heart is like a yo-yo string  
I'm tied to you, I'm tied to you right or wrong  
My love keeps on growing  
Cause your love keeps right on showing  
Just enough, just enough to keep me hangin' on  
Oh baby, just enough, just enough to keep me hangin'  
on

A love as true as mine will make you do most anything  
Like hiding tears and heartaches  
And dreaming all those silly dreams  
Ah honey, you got me, you got me where you want me  
And you keep me stringing along

Just enough, just enough to keep me hangin' on  
Ah baby, just enough, just enough to keep me hangin'  
on  
Ah honey, just enough, just enough to keep me hangin'  
on  
Oh tell me why, just enough
