I can think of younger days, when living for my life  
Was everything a man could wanna  
I could never see a tomorrow  
But I was never told about the sorrow

How can you mend a broken heart?  
Or how can you stop the rain from falling down?  
How can you stop the sun from shining?  
What makes the world go round?

How can you mend this broken man?  
Oh how can a loser ever win?  
Oh please help me mend my broken heart  
And let me live again

I can still feel the breeze that rustles through the trees  
And misty memories of days gone by  
I could never see tomorrow  
No one said a word about the sorrow

How can you mend a broken heart?  
Oh, how can a loser ever win?  
Please help me mend my broken heart  
And let me live again

How can you mend this broken man?  
Just stop the rain from falling down  
Come on and help me mend my broken heart  
And let me live again

How can you mend a broken heart?  
You gotta tell me how can you stop the rain from falling  
down?  
Oh how can you stop the sun from shining?  
What makes the world go round?
