I don't see right,  
I don't see wrong  
In anything I've done,  
In where I've gone

I'm only human  
And yes I've made mistakes  
I wish that I could foresee  
what I'm doing wrong  
Get some breaks

Through a doorway I'm calling  
Down a long road I'm walking  
Like an eagle soaring up so high

You can see it in my hands  
You can see it in my face  
I'm chasing passion down  
A one way street

But I'm in command  
Of lost control  
And I'll tell you one thing's certain  
That I'll never fake it for anyone

Through a doorway I'm calling  
Down a long road I'm walking  
Like an eagle soaring up so high

Run to a place you'll never hide  
To a place you hold so tight  
And you'll try  
And you'll try  
And you'll try

I don't see right,  
I don't see wrong  
And I'm only human  
Yeah, I've made mistakes

Through a doorway I'm calling  
Down a long road I'm walking

Like an eagle soaring up so high

Through a doorway I'm calling  
Down a long road I'm walking  
Like an eagle soaring up so high...
