I've been romanced and I've been danced  
Crazy nights and hard times  
Life has lost it's mystery  
And love is blind, and cannot find me

Chorus:

Cause I'm blowin' away  
And shadows take my love and leave  
I'm blowin' away  
And shadows keep taking  
My love and leaving me

I have cast my foolish pride  
Going down for the very last time  
Cause I have searched this earth  
And sailed these seas  
But love is blind and cannot find me

Chorus x2
