I've got the answer
To the questions that you've asked
'Bout leaving my world
And going with you
To a world I've never known.

I've got the answer
To all my questions and fears,
But that don't settle me down
Or make it easier to decide.

I've got the answer
But how do I know it's right?
Am I truly that strong

That I can start over again?

Yes, I've got the answer
And I'm sure this time I'm right,
And I know you'll agree.

Yes, I've got the answer
Oh yes, I've got the answer. . .
And that answer. . .that long-awaited answer
Is deep within me. . .Yes, it's deep within me.
