Climb upon my knee Sonny boy
You are only three Sonny boy
Oh, you have no way of knowing
I have no way of showing
What you mean to me Sonny boy

Oh, when there are grey skies
Honey, I don't mind those grey skies
I'll still have you Sonny boy
Don't you know that

My friends may forsake me
Oh, let 'em go on and forsake me
You're gonna pull me straight through
Sonny boy

Oh, you're sent from heaven
And I know your worst
You've made a heaven for me
Right here on earth

My Mammy

And I'm coming, oh yes I'm coming
I'm sorry that I made you wait
Oh, yes I'm coming, good God I'm coming
I hope and pray it's not too late

Can't you hear me my Mammy
My little mam, my little Mammy
I walk a million miles for one of your smiles
Oh, my Mam, my my Mam my little Mammy

Rock A-Bye Your Baby With A Dixie Melody

Oh, weep no more, weep no more my lady
Sing that song again for me
Oh, sing soft and low just as though
You had me, oh you had me right there on your knee
A million baby kisses, I'm gonna deliver
Oh the many that you sing, oh that sort of rhythm

Rock-a-bye your rock-a-bye baby
With a Dixie melody

Friends may forsake me
Oh, let 'em all forsake me
I'll still have you Sonny boy
