Cheap lips lie into hungry ears  
Well backsliding Julie borned in the air  
Riding away on the horses  
That run through my life  
You think I'm tough  
Just watching your game  
But Julie you're messing  
With a naked flame  
I'm a dangerous rain  
That wash all your lies away

Well I now know,  
Julie you're the shape of sin  
But I can strut like Bowie,  
When the line dance begins  
So cool it Julie or I'm gonna do you in

[Chorus:]  
Julie, Julie why do you taunt me  
Julie, Julie you're lying  
Julie, Julie Why do you haunt me  
Julie, oh Julie you lying b\*\*\*\*

Well you think I'm just flying  
With strings of a kite  
But Julie I hope your knots are all tight  
I'm flying higher  
And I am the one holding the knife  
He's all that I got  
And he's all that I want  
Well Julie for the last time  
Enough is enough  
Take it from me  
You'll meet no meaner woman, no

[Chorus x2]
