Look at me
Tell me what do you see
Does my soul lay broken inside
Look at me
Tell me what do you see
Have my tears washed away
My foolish pride

The nights are so long
The days come on strong
Look at me
Tell me what do you see
The pain I have borne
My body's so worn
Look at me
Tell me what do you see

The nights are so long
The days come on strong
Look at me
Tell me what do you see
The pain I have borne
My body's so worn
Look at me
Tell me what do you see
