We used to talk forever on a dime  
Now we live together never find the time  
We used to walk as lovers on the sand  
Now we're workin' full-time on our lifetime plan

We never stopped to see the moon at night  
We're just too busy leadin' complicated lives

I remember love on a rooftop  
We couldn't make the love stop  
We were givin' all that we got

I remember holdin' you so tight  
When kissin' lasted all night  
Love on a rooftop

Look at us now, we're all grown up  
We got it all together, got it all sewn up  
But is this all it all was leadin' to  
Do we just run out of dreams when all our dreams  
come true

Whatever happened to those endless nights  
When we were happy livin' young and foolish lives

I remember love on a rooftop  
We couldn't make the love stop  
We were givin' all that we got

I remember holdin' you so tight  
When kissin' lasted all night  
Love on a rooftop

We never stopped to see the moon at night  
We're just too busy leadin' complicated lives

I remember love on a rooftop  
We couldn't make the love stop  
We were givin' all that we got

I remember holdin' you so tight  
When kissin' lasted all night

Love on a rooftop

I remember love on a rooftop  
We couldn't make the love stop  
We were givin' all that we got
