I feel something in the air
Something that was never there
I feel something starting to live in me
Something only God could give to me
Could give to me

I feel magic every where
Even though, I'm supposed to care
About all the things that my neighbors will think of me
And how I should act when they said
What a nice girl I used to be, I used to be

My mom will say, "My God, what've you done
I told you that boy was only a fun"
My daddy will raise like a storm on the sea
Say now look what you've done to me
Even though I care, I feel magic in the air

What's a matter with you baby
Did you fall too hard when you fall in love?
You fall in love
What's a matter with you baby
Did you fall too hard?

I feel magic every where
Even though, I'm supposed to care
About all the things that my neighbors will think of me
And how I should act when they said
What a nice girl I used to be, I used to be, I used to be
